SECTION 3 - ELIGIBILITY, WAIVERS AND SESSION RULES

Day-part definitions: Morning = start before 12:00; Afternoon = start 12:00-17:00;
Evening = start 17:00 or later.
Where a programme lists several unit groups, attend the group that matches your home unit.
Waiver notes state the only grounds for exemption; no other substitutions are permitted.
When a cohort is split across rooms, the room allocation is recorded against candidate
ID ranges in the master session ledger.
The master session ledger is authoritative for dates, times, rooms and delivery formats.
